

Tristan Sabado

Motion & Editorial Designer

I am here to make design approachable. I use a process of research, iteration and discussions to create something authentic to your vision. Whether it's a sleek video, an engaging booklet, or a cohesive visual identity to your brand, the end result will carry your voice out into the world. With my detail-oriented work ethic and flexibility, I will find the best solutions for your ideas and make them tangible.

education

2018–2022 **York University & Sheridan College Program in Design (YSDN)**
Honours Bachelor of Design | Magna Cum Laude

2014–2018 **Mary Ward CSS**
High School Diploma

work history

Warehouse Receiver

- Worked with the warehouse team to sort products, stock shelves and merchandise
- Worked with the other teams to provide customers with Princess Auto's Royal Service
- Helped with general tasks around the store

2021 **Room Edit by Stacey Cohen — Full-Time 3 Month Internship**
Graphic Designer/Video Editor

- Migrated and updated deck template from *Illustrator* to *InDesign*
- Collaborated with other marketing interns to construct and tailor decks to potential partners with the new template
- Collaborated with other marketing interns to expand the single deck template into a set of six for different types of collaborations/partnerships using *InDesign*
- Animated short promotional ads/materials using *After Effects* and *Premiere Pro*
- Animated a step by step explanatory video on the process of Room Edit's interior design using *After Effects* and *Premiere Pro*
- Worked with my Supervisor using *Squarespace* to create a hub with training modules for the on-boarding process for new interior designers
 - Created and organized web pages and links
 - Organized, revised and updated documents and information on spreadsheets
 - Made icon sets using *Illustrator*
 - Edited video footage and touched up audio for each module using *Premiere Pro*
 - Animated cohesive opening and ending slates for each module using *After Effects*
 - Coordinated headshots and bio acquisition for core team members
- Worked with the Director of Room Edit's parent company Stacey Cohen Design, using Wordpress to create a hub with an organized and categorized list of vendors for their interior designers similar to Room Edit's hub

2018 **Mary Ward CSS — Commission**
Editorial Designer

- Co-designer for the 2018–2019 school agenda for use by both students and staff
 - Revised and consolidated rules, guidelines, and other formal information
